

The Chicago Region's TRAC 2010 Paved Paddock Parking Request

Reservation deadline: August 25th

Parking in the Main/Pit-Road paddock, Upper RV paddock, and North Paddocks are reserved. Parking requests will be assigned on a "best effort" basis, that means we will try to accommodate your request, but you are not guaranteed a place in the paved paddock, or the size you request.

NOTE: Road America has paved new spaces in the North Paddock (near Kohler tunnel).
We will not be using the West Paddock (across from medical).

Road America has added a new garage building with 13 garage doors in the Main/Pit-road paddock. Each space is 16x40 and can be rented for \$400.00 per weekend. Please let Tim Green know if you are interested in renting a garage. NOTE: Garage rental will be done through Road America but coordinated by Tim Green.

Please complete this form and email it to: **Tim Green** at TRAC.Parking@gmail.com
